FAMIGLIA ZINGARELLI

VERNACCIA DI SAN GIMIGNANO DOCG

Grape varieties

Vernaccia di San Gimignano grapes 100%

Production Technique

Grapes go through a traditional vinification for white wines, consisting in maceration of the must without the skins at controlled temperature followed by a few months in inox tanks before bottling.

Wine description

Color: straw yellow

Bouquet: fruity, intense.

Taste: good structure, smooth and refreshing. It has flavors of citrus, sage, and minerality with a slightly bitter aftertaste, due mostly to the dry season before the harvest.

Winemaker's recommendations

Serve at 12 °C with vegetables, fish courses and white meats.
